Planning: Former playing field and car park adjacent to the Old School

The owners of the site have submitted a new planning application for the construction of four detached houses with garages on the former playing field. The proposal is similar to an application made in 2014, but the houses are now specified as self-build, for which different planning regulations may apply. The application also includes an offer to give the former car park to the Village Hall if planning permission is granted.

You can find details of the application (reference 19/03289/OUT) on Shropshire Council's website:

<https://www.shropshire.gov.uk/planning/applications/viewing-planning-applications/>.

There is also a link from the Parish Council's website at:

<http://www.caynhampc.org.uk/community/caynham-parish-council-12542/planning-tracker/>.

The public consultation is open until 14th August if you wish to comment.

Garden Society in August: Adrian James, from Bodenham Arboretum near Kidderminster, will be talking about the Arboretum through the seasons. The Arboretum is particularly well known for its autumn colour

... and in September: a day outing to White Hopton Farm, home to Claire Austin Hardy Plants nursery which specialises in perennials, irises and peonies.

A Good Death

Death and dying can be a very difficult topic to talk about. Whether the person is in hospital or being supported to die at home, there is only one chance for the providers of care to get it right.

Healthwatch Shropshire is asking if people would be willing to share their experiences of End of Life Care in the county. For example, did they feel that the care their loved one received was what they wanted and expected? Were they treated with dignity and did they feel listened to and their wishes respected? [to p3]

[from p1] It is really important that those providing the care are open and honest with both the patient and relatives. Being better informed can reduce stress and anxiety and help people understand what to expect. Healthwatch Shropshire would like to know whether the language used by those giving the care was appropriate and did it prepare people for what was to happen? Were other ways of communicating found if the person's preferences couldn't be expressed verbally, either because of dementia or brain injury, for example?

Lynn Cawley, Chief Officer of Healthwatch Shropshire, said: "We are keen to build up a picture of how well End of Life Care is working across Shropshire and whether people feel that they received the right support for them. We want to find out whether care for the dying is equitable across the county and if there is a joined up approach between different services to End of Life Care including out of hours services. People can let Healthwatch Shropshire know about their experiences by phone 01743 237884, by email enquiries@healthwatchshropshire.co.uk or online www.healthwatchshropshire.co.uk. The more comments received the more influence Healthwatch Shropshire has to improve services for local people."
