## Season's Greetings to all our readers!!

As you may have heard on Radio Shropshire or Sunshine Radio, our bid to Awards for All (England) was successful and we're delighted to have received funding for the new entrance for the Village Hall and improvements to facilities and décor. Our other bid unfortunately did not succeed, but we are trying a number of possible sources to raise the money for the new floor. Work should begin soon after Christmas.

*David Fairclough (Shropshire Council) writes:* The Shropshire Armed Forces Covenant Partnership have launched the county's biggest survey of our Armed Forces community. The aim of the survey is to use the views of those with an Armed Forces connection to create priorities for the AFCC partnership that will inform the 2016-17 strategy.

If you are: A former serving member of HM Armed Forces (as a regular or a reservist), currently serving as a regular or reservist, a spouse or dependent of someone in the Armed Forces, then we want to hear from you. If you are interested and wish to complete the survey, please go to <http://new.shropshire.gov.uk/get-involved/>.

The Shropshire Covenant has already allocated thousands of pounds of centrally funded grants to support Shropshire's Armed Forces community and narrow the divide with civilian communities, such as the Multi-use games area (MUGA) in Tern Hill and supporting the successful Armed Forces Match Days at Shrewsbury Town Football Club.

For further information about Shropshire's Armed Forces Covenant partnership including details about the survey, please visit [www.shropshire.gov.uk/safcc](http://www.shropshire.gov.uk/safcc).
