Events coming soon

Pub Nights have moved to Fridays.

We are planning a **Big Breakfast** in February, currently scheduled for Sunday 15th – ideal for recovering from Valentine's Day celebrations. More details in the February issue but there'll be no need to book.

After the success of December's Festive Lunch, we are hoping to organise another joint venture with St Mary's Church in the early spring. It's been suggested that it's the turn of the men to cook, so if there are any budding Masterchefs (ie can cope with more than just reheating a takeaway) who'd like to volunteer please get in touch.

Would you like to sponsor the newsletter or to advertise in it?

You may have noticed that we have occasionally included personal small ads from Caynham residents. We're happy to do this for no charge.

In November we carried our first paid for advertisement from a local small business.

The predecessor to this newsletter regularly carried paid advertising and we are considering expanding our scope to include this. It could take the form either of a conventional advert or a listing as a sponsor. Rates are yet to be decided, but the income generated would be used to offset our production costs.

If you are interested in this idea, please contact David Faulkner (davidjfaulkner@btinternet.com).

Community Asset: the owners of the playing field and car park, who wish to build on the site, challenged the listing as a Community Asset. Shropshire Council have carried out a review at the owners' request and have confirmed the original decision. The site therefore remains on the asset register.
