Community Asset news

The Tribunal has dismissed the owners' appeal and the car park and playing field remain listed as Assets of Community Value.

Open House event

There was a clear favourite amongst the options for a refurbished Village Hall presented at the recent Open House event. The preferred layout is shown as a floor plan and a 3D view at the right. The design features:

- Removal of the stage
- A new wide entrance in the west gable end
- An access ramp for wheelchairs and prams
- An entrance lobby
- A dedicated bar area
- Replace or repaired steps to current entrance
- Underfloor insulation in the main hall
- New flooring in the main hall
- Replacement windows in the extension
- Hand dryers and extractor fans in the toilets
- New heaters with improved controls

Now we need to raise the money to pay for it.

Events coming soon

A **Sunday Breakfast** at the Village Hall in September.
