July 2020

Produced and published monthly by Caynham Village Hall.

If you are organising anything and would like it to be listed here, please contact David Faulkner at least one month in advance.

Village Hall news: facilities such as village halls will be allowed to reopen from July 6th as long as appropriate Covid-19 precautions are in place. The committee are reviewing the situation and will take account of the views of regular hirers. For the time being the Hall remains closed.

Online plant sales: the Gardening Society plant sale was held online and raised over £400. The Strawberry Teas plant sale raised over £150 for St Mary's Church; plants are still available from Jill and Ray Bufton at Primrose Bank. Thanks to all who contributed plants and those who purchased them.

Telephone and online appointments – here to stay?

As a result of the pandemic many services across health and social care have changed how they are delivered and new ones have been developed. In order to offer services as safely as possible people have been offered appointments over the phone or online by video or using an online form. We want to hear your views and experiences of this new way of working.

<https://www.healthwatchshropshire.co.uk/news/2020-06-19/telephone-and-online-appointments-here-stay>

Lynn Cawley, Chief Officer, Healthwatch Shropshire, says “The changes that we have seen in the way patients attend some of their appointments because of Covid-19 are likely to be here to stay. We know that the NHS Long Term Plan commits to reducing face-to-face outpatient appointments by up to a third over the next five years. We really want to know how patients have found these new methods so that we can ensure that the patient voice is heard as the new systems are extended across health care.”
