Planning news

You may remember that in July 2019 a revised planning application was made for the construction of 4 self-build houses on the old playing field. Permission was refused in July 2020 and the application then went to appeal. The appeal decision has now been published and the appeal has been dismissed. The full text is at

<https://pa.shropshire.gov.uk/online-applications/appealDetails.do?activeTab=documents&keyVal=QIVA5BTD0C800>

Those with long memories will recall that there have been several planning applications made for this site, starting in May 2012 shortly after the school closed. All have been unsuccessful. However, given the track record of the developers it is unlikely that we have reached the end of this saga.

Can you help?

The **Royal British Legion** are looking for a Poppy Appeal organiser for the Clee Hill area – see the poster opposite and the article on our website.

Shropshire Wildlife Trust are currently recruiting new volunteers for their Feed the Birds Project. Bird watching is one of the simplest ways to engage with nature. This project trains and matches volunteers with people identified as lonely. Clients can be any age and generally have some form of age-related condition or physical disability which limits their independence. Volunteers visit each week to top up the bird feeders and chat about the garden birds and make a huge difference in their lives.

Details are at <http://shropshirewildlifetrust.org.uk/feedthebirds>.
