## Caynham Village Hall Committee Annual General Meeting

*Monday 11<sup>th</sup> May 7.30pm*

*Your last chance to see the Village Hall before the repairs take place!*

*The meeting usually lasts about 30 minutes and is followed by complimentary drinks and nibbles.*

*Come and hear about plans for next year and how you can help.*

*This year two of our longest serving members are standing down so we urgently need some new recruits!!*

*The Village Hall will be closed between 18<sup>th</sup> and 29<sup>th</sup> May for repairs and redecoration*

**News from Holland:** Brenda and René François have a new baby. Sann Aisling François, a sister for Lena, was born on Monday 13<sup>th</sup> April at 9.39 am and is a lovely healthy girl. Our congratulations and best wishes to the family.

### Planning news

*Peter van Duijvenvoorde writes:* "A concerned group of residents from Caynham, Whitton, Knowbury and Hope Bagot would like to invite you to a multi-media exhibition on solar farms. This will run from 4 pm until 8 pm on Wednesday 6<sup>th</sup> May in Caynham Village Hall. Come and find out more about the 10 hectare solar factory proposed for a greenfield site between Caynham and Whitton. See how the countryside we love would be affected and have an opportunity to discuss this vexatious issue. Refreshments and cake will be provided free of charge!

The application to build a house on the former car park has been refused again. Meanwhile, the owners of this land and the former playing field are continuing their appeal against the listing of the site as an Asset of Community Value. This is now being considered by the First Tier Tribunal.
