October 2020

Produced and published monthly by Caynham Village Hall.
If you are organising anything and would like it to be listed here,
please contact David Faulkner at least one month in advance.

Village Hall update

Following the recent Government announcements, it seems that our estimate of Spring 2021 as the earliest likely re-opening date for the Village Hall could prove accurate. Meanwhile, we are required by our insurer to carry out weekly inspections of the building. Thanks to Rosalind Caird, Jane van Duijvenvoorde, Carol and Richard Powell and Graham Spencer for volunteering to help Barbara Ashford and Caroline Prentice in this. If you would like to help too please let David Faulkner know – it will only require about 15 minutes of your time once every 7 or so weeks.

Road closure – advanced warning

Caynham Road will be closed from 9.30 am to 3.30pm on November 25th and 26th, from Primrosehill towards Clee Hill for about 1.3 km (just beyond Prospect Place). Diversions will be in place along the A4117.

Healthwatch would like to hear your views about hospital discharge during Covid 19

Healthwatch Shropshire and Healthwatch Telford & Wrekin are working together to find out about people's experiences of leaving hospital during the pandemic. Since March hospitals have been working closely with community health, social care partners and local councils to improve the discharge process. Triggered by Covid-19, the aim has been to make sure no one is in hospital longer than they need to be.

Healthwatch are gathering people's experience of discharge under the current arrangements and have worked with local hospital trusts, the Clinical Commissioning Group and Shropshire and Telford & Wrekin Councils to develop a short questionnaire.

They want to hear about what is working well and where things could be improved so that lessons can be learnt and changes made to improve the process and patient experience of leaving hospital. People can find the questionnaire here:

<https://www.healthwatchshropshire.co.uk/tell-us-about-your-experience-leaving-hospital-during-covid-19>

Lynn Cawley, Chief Officer of Healthwatch Shropshire, told us, "This survey is an extension of a national survey by Healthwatch England. We are very keen to hear people's experiences of discharge, the detail will help local hospitals and councils understand how the systems they have put in place are affecting people across Shropshire, Telford & Wrekin. We want to hear from as many people as possible so encourage people to call their local Healthwatch and we will complete the survey with them over the phone."

Paul Shirley, General Manager of Healthwatch Telford & Wrekin, said that, "Systems put in place at the beginning of the pandemic will stay in place for some time to come so it is vital that the patient experience is recorded and shared with the hospitals and organisations involved. There is a real desire to hear from patients and learn from their experiences, we are here to help this happen."

Claire Old, Urgent Care Director and Senior Responsible Officer for Discharge for Shropshire and Telford and Wrekin, explained "Health and social care partners across Shropshire, Telford & Wrekin and Powys have prioritised partnership working that focusses on overcoming the barriers to sharing information and removing unnecessary delays when people leave hospital. Working together hospital teams have supported patients in decisions for discharge at the right time. Improved communication and processes have put individuals, families and carers at the centre of all decision-making discussions so that when a loved one leaves hospital, they have the best support and plans in place. We want to hear about your personal experiences to ensure continuous improvement of the hospital discharge process."
